

Donor Privacy Policy: 02.16.18

The Community Foundation of the Virgin Islands ("CFVI" or the "Foundation") values the importance of transparency as well as the protection of the right to privacy of donors. A donor may request to remain anonymous and CFVI will not disclose any information about a donor or a donor's gift, except as required by law.

Absent a donor's specific request to remain anonymous, the Foundation may publish the names of individual donors in the CFVI Annual Report and in similar reports published by CFVI. Additionally, in the case of memorial gifts, unless the donor has requested anonymity, the Foundation generally will provide the names of donors to members of the immediate family in whose memory the gift is given.

The Foundation will not trade, share or sell donor information with any third parties. Proper management of confidential information by all Board members and staff of the Foundation is very important to the Foundation. Confidential information includes any personal information of a donor not generally known to third parties.

A donor may direct the Foundation to remove his/her name and contact information from the Foundation's mailing list by contacting the Foundation at (340) 774-6031 or email Dee Baecher-Brown at dbrown@cfvi.net
