CFVI Launches Virtual Giving Tree Project

USVI nonprofit organizations asked to submit holiday-related needs

U.S. Virgin Islands, December 4, 2020 — The Community Foundation of the Virgin Islands (CFVI) is launching its first ever Virtual Giving Tree for the holidays.

"We recognize it's been a challenging year for everyone, especially our nonprofits in the Territory who are on the frontlines every day serving the community," said CFVI President Dee Baecher-Brown. "To help them with holiday-related needs for children, youth, families and seniors, we created CFVI's Virtual Giving Tree program."

The Foundation set up an online form and is asking USVI nonprofit organizations to submit specific needs and requests by **Friday, December 11, 2020**. The form can be accessed by visiting cfvi.co/VirtualGivingTree.

"While we can't guarantee funding in response to every request, we will certainly do our absolute best to make the appropriate connections with any and all interested donors," said Baecher-Brown.
