

Community Foundation of the Virgin Islands | Grant Recognition Guidelines

The Community Foundation of the Virgin Islands (CFVI) publicizes our grants through press releases, our website, social media, and printed materials. We encourage nonprofit organizations to share photos, videos and stories of grant projects with us so we can showcase your good work.

CFVI can help publicize your grant and your activities by:

- Highlighting interesting grant stories through the cfvi.net website, social media, e-newsletter, and other materials
- Providing acknowledgment language and CFVI logos for your use as needed (see below)

Grant Recipient Responsibilities

We appreciate an acknowledgment of your grant from CFVI in whatever ways are within your organization's communications capabilities. We encourage you to send us press releases or copies of publications or media coverage that mention your grant.

Often, the media is more interested in hearing directly from a nonprofit organization and the people it benefits. If we coordinate our efforts, we can be more successful in getting the word out.

Acknowledging Your Grant

We are pleased to work with your organization to tailor acknowledgment language based on the type of grant support. The following is an example of possible acknowledgment language:

This project (or program, or the name of the organization) is/was funded (or funded in part) by a grant from the Community Foundation of the Virgin Islands (CFVI).

Please always use "Community Foundation of the Virgin Islands (CFVI)" on the first reference. You may use "CFVI" on subsequent references.

Logo Usage

PLEASE NOTE: As of July 2021, CFVI has a new/refreshed logo. Any use of the previous version should be discontinued.

We would prefer to review all artwork for any materials that include our logo before they are produced. Please let us know your plans so we can help you get the best results. If you are using the logo on the Web, please link it to CFVI's website at cfvi.net. See contact information below to request a logo.
