**CFVI Notifies Public of Opportunity to
Download Noggin App FREE for 180 Days**

The learning app from Nick Jr. features educational games, full episodes, eBooks, and activities for preschool-aged children

U.S. Virgin Islands, June 9, 2020 — Thanks to the Community Foundation of the Virgin Islands' participation in The Campaign for Grade-Level Reading, families in the Territory can download and enjoy the Noggin app FREE for 180 days. A subscription normally costs \$7.99 per month.

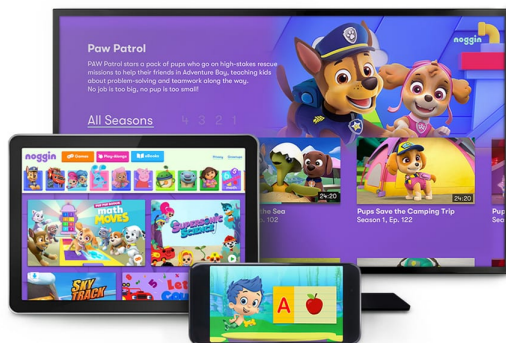

Noggin, the learning app from the experts at Nick Jr., brings more than 30 years of preschool edutainment experience into a smart and fun tool for kids ages 2+. Noggin provides access to an ever-expanding library of educational games, eBooks, activities, and exclusive shorts developed by curriculum specialists. With 1,000+ ad-free full episodes of preschool favorites like PAW Patrol, Peppa Pig and Bubble Guppies, children can go on learning adventures and explore math, science, literacy, music, manners, and more.

In light of the school closures and childcare issues disrupting the lives of families all across the country, Noggin is offering its service FREE for 180 days (for those who sign up by June 30, 2020) in partnership with the Campaign for Grade Level Reading . Families who sign up between July 1 and August 31, 2020 will receive 90 days free.

The Campaign is a collaborative effort by foundations, nonprofit partners, business leaders, government agencies, states and communities across the nation to ensure that more children in low-income families succeed in school and graduate prepared for college, a career, and active citizenship. The Campaign focuses on an important predictor of school success and high school graduation—grade-level reading by the end of third grade.

“Our commitment to early childhood education remains steadfast, as does our desire to strengthen the resources available in the USVI, especially during this challenging time,” said CFVI Director of Grants and Programs, Anna Wheatley Scarbriel, Ph.D. “Through our support of initiatives such as *WE COUNT!*, Ready4K, Dolly Parton’s Imagination Library, Little Free Libraries, the ‘Museums for All’ program, and others, we continue to do what we can so that all children and families in the Territory have access to the tools, support, and opportunities that lead to healthy development.”

To sign up for the FREE 180-day subscription, visit cfvi.co/NogginSignUp .

About the Community Foundation of the Virgin Islands

Since 1990, the Community Foundation of the Virgin Islands (CFVI) has been a catalyst for positive change in the Territory through initiatives committed to youth, learning, family support and the environment. With a professional staff and a volunteer Board of Directors composed of community leaders, CFVI is a trusted advocate and supporter of programs that ensure opportunity and sustainability for current and future generations. CFVI is a registered non-profit organization entirely supported by individual donors, grants, trusts, corporate donations and estate planning. For more information, visit cfvi.net.
